Preferred Look

This is the recommended way to go!

Link to second page

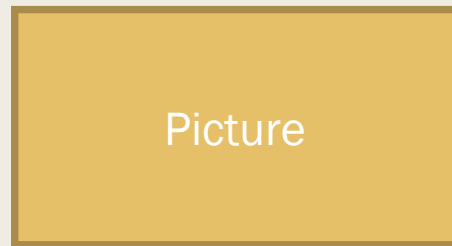

Author's basic text here. One paragraph. We recommend you write what you prefer to author: fiction, non-fiction, genre ... all the good stuff. Save the details for the second page. That's where you go to town. Tell us everything. **Please**, include a sample of your writing on page two ...

Second Page

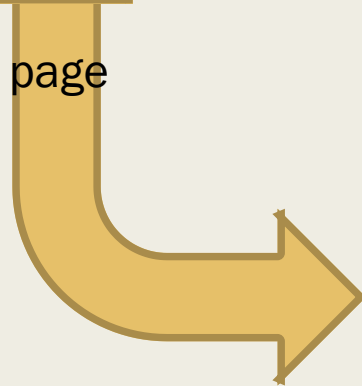

Write lots of stuff. Tell us about for favorite story you've written, your favorite authors. Who inspires you? Tell us what your favorite writing books are. Link to your own [Personal Web page](#) here. Add links to your books in Amazon (or other stores) so that other members can purchase them. Then, just when you think you've told us everything ... write some more. Send us a picture to put on this page or just tell us what kind of pictures you like. *Put in a sample of your work ...*
